

Effectively Recruiting and Hiring Employees

"We couldn't have asked for a stronger program for our human resources department. We look forward to having you back..."

— Client, South Carolina

Overview:

Recruit, interview and select top-notch individuals. Deal with unacceptable behavior and properly terminate employees when necessary. If you're having a problem with employee loyalty and turnover, don't accept it as a fact of life. There are many ways to achieve higher levels of commitment from your employees in spite of marketplace changes and increased competition. Every organization needs a strategic roadmap that provides direction for reducing turnover.

Topic Highlights:

- Manage your resource portfolio of human resource talent.
- Become an employer of choice, not just a convenient place to work.
- Execute a recognition program that rewards top performers and fosters a productive, challenging and energizing work environment.
- Develop and maintain out-of-the-box methods for employee retention.
- Become a leader that everyone wants to work for.
- Get your employees think of your department as a place to learn and grow.

Special Features:

This program is designed for your requirements and course materials will be custom written, with materials being produced and delivered specifically for your organization's systems and processes.
